## Arcapita first Gulf firm to exit US bankruptcy

**MANAMA:** Arcapita, a Bahrain-based technology and information services provider, has announced that its flagship product has won a major certification.

Under the terms, "Arcapita Group's Optimum enterprise resource planning product has received the Microsoft Certification for Windows Server 2012. This demonstrates that the product meets Microsoft's highest technical bar for Windows fundamentals and platform compatibility."

"This is a significant milestone for Arcapita Group, as it is the first Middle Eastern developed product of its kind to receive the latest Microsoft server certification, the company claims."

"This is another milestone for the Amthal Group demonstrating that we are keeping up-to-date with the latest technologies and current practices in the industry," chief executive Hani Awachi said.

■ Mr Awachi

Arcapita is a Bahrain-based technology and information services provider. The company has been a leader in the region for many years, and its Optimum product has been a success story for many of its clients.

## Amthal Group product wins certification

**MANAMA:** The Amthal Group, a Bahrain-based technology and information services provider, has announced that its flagship product has won a major certification.

The company said Version 11.0 of its Optimum enterprise resource planning product has received the Microsoft Certification for Windows Server 2012.

This demonstrates that the product meets Microsoft's highest technical bar for Windows fundamentals and platform compatibility.

It is the first Middle Eastern developed product of its kind to receive the latest Microsoft server certification, the company claims.

"This is another milestone for the Amthal Group demonstrating that we are keeping up-to-date with the latest technologies and current practices in the industry," chief executive Hani Awachi said.

"We are hugely proud of our team, whose experience and know-how continues to underpin our growth across the region and our ability to effectively service an expanding list of blue-chip companies across the GCC and broader Middle East region."

Mr Awachi said software development section head Vinod Nair was instrumental in obtaining the certification.

The Amthal Group has offices in Bahrain, Saudi Arabia, Qatar and Oman.
